Dear Patty.

Back from Bermuda and leave
for London, England, July 4th.

In the interim, I'm trying to con-
solidate M. E. S. reunion plans. I'll
leave Newark Airport Sat., to spend
the weekend c a friend in Mississauga.
Ruth Corser tells me its west of Toronto,
plus she already has a full car.
Any suggestions as to whom I may
beg a ride to Rowville with?

Ruth said shed make some enquiries
but she left on her Danube-Russia
tour last week.

(To further complicate my life,
will be getting home from 3 wks.
in Maine that Thursday after Labor
Day - one day to unpack, repack
and do the old boy's laundry before
taking off!)

Didn't get together c Phoebe in
April on my annual visit to the
89 yr. old aunt in Seattle, this year.
Things just didn't pan out time
wise.

Had a lovely letter from Rhoda
recently. She sounds disappointed

but quite definite that she won't make it. Warren hadn't been well recently, again, and she just won't leave him alone.

Corner. Forsythe, Phe and I will be sharing the quad. 'I will be like old times when Forsythe and Corner had the room next to Gwen and me our Senior year. Dorothy's infectious giggle came right through the wall!

A busy weekend coming up.
#1 Child & the 8 & 6 yr. boys arrives from Winston-Salem tomorrow -
#2 Child & his wife arrive Friday P.M. - #3 - still the independent rebel says she's too busy to come. "If people would only let her know in time, she could arrange these things." She hasn't seen Erica & the boys for a yr. and a half!
Ah, so -

Regards to Frank, and I'll be looking forward to hearing from you.

Truly,
Kay (Ree) Swenson

Dear Patty -

Perhaps this news will come
as no surprise to you in that
Jess might by this time have
passed on my message.

Aubrey is really very ill -
has been in the U.B.C. hospital
for most of June. Naturally
we are hoping that he is
going to improve & that he
will be home soon. He has
had another stroke - no severe
paralysis but his mental
functions are very confused
& foggy at this point.

Therefore our trip East

has been ruled out - he
could not possibly make it
& I won't leave him.

Needless To say as Sept. 11
draws nearer I shall be very
sad - at the moment all
my attention is focused here.
Naturally I shall be wishing
you great success - smooth
sailing & lots of fun in
the planning & execution of
the 50th! - & I will be
in touch again before then.

I think I forgot to wish Jess
a very happy birthday - if you
are in touch with her before
she leaves could you convey
my message?

Very Best Wishes To Frank & much
love To you Sylvia 362

Dear Paddy -

well at this point.
in time it looks as
though we will not
be at the 50th

Whiting has a routine
hospital test & we will
also be in the middle of
remodelling our house -
now that our family
are moving out.

No hope all goes
well, which I'm sure
it will

All the best.
May.

Dear Paddy -

July/19/89

It was fun to hear from you - & I'm sure
all of you were having fun too! I phoned
D. Baker re the reunion & she was very
inquisitive about the arrangements - I quizzed her
slightly about Dick, but she wouldn't talk
about him at all - however, she did say they
still might make it - they must be involved
in tests & diagnosis I expect - so it will
have to be left there. Poor Syd with Aubrey
diagnosed as having 'dementia' ie acute mental
incapacity - I wonder how long she can have

him at home. I also
 wrote him. to see if
 she really wanted me to
 come - I'd go on to my
 niece's place, but as usual
 you were very thoughtful
 with your visit! The plays
 sound excellent & being able
 to live to show some a
 lot of hassle. I didn't ask

Dear Patty -

July 13/189.

I wrote last in a hurry & forgot to say - do
you think I should reserve a spot on Via Rail
to Ottawa from St. Thomas - someone told me the
train will up ??. If so could you reserve me a
seat for first thing Sep 6 - I hope it doesn't take
all day, as I just have a couple there - I'm a bit
concerned about laid. but I wrote her to say I
wouldn't come, & have not heard back. I'll leave there. O.
first thing Sep 8 for Toronto. & could you book this
too? I'm sorry to be such a nuisance, but the
travel agent here doesn't want to do it! (not air!)
(travel 391)

I'll be glad to get away
 at the end of the month
 as I've been so busy in
 the garden, due to the
 landscaping - which I love
 of course, & which requires
more to be done.

See you soon. (PH)
